### **Sponsors:-**

We would like to thank our sponsors, Tony Drabble of Custom Built Archery for the supply of faces and pins and also Brian Hopkinson of Cosign Design & Marketing for the commemorative mug artwork.

### **And Finally:-**

This event has been a celebration of 50 years of the EMAS Senior Inter-Counties Teams Tournament and we must offer our profound thanks to Thoresby Park Cricket Club and the Stonebridge Trust: Thoresby Park, for allowing us to hold this anniversary competition at the venue where it all began in 1958.

Congratulations to all archers for taking part; some having represented their County for many years at this same event.

We offer our formal thank you to our Gentleman Patron, Mr. David Clarke and his wife Marian for their attendance at this special occasion.

Other guests with us during the day included the Lord Mayor of Nottingham Cllr Gul Nawaz Khan, the Worshipful Company of Fletchers - Chris & Jean Brown, the Worshipful Company of Bowyers - Peter Harrow and ArcheryUK - Ann & Mike Shepherd.

There were many archers from previous years, who put the Tournament History (so well presented by Charlotte and Steve Attwood) to full use and from the noise they made, had a really happy day.

A big thank you must be extended to Mae and John Goad for their efforts to make the anniversary event possible at this venue. During the past 18 months, they have worked tirelessly to put together a team of helpers to make this day a memorable and successful occasion for all present to enjoy.

Thank you to all who have assisted at this tournament, the Friends of EMAS work party, the meeters and greeters, the catering company and of course, the Judges.
